**DUBAI, UAE – January 7, 2026** – GenZone Realty, the real estate division of GenZone – a premier business setup, residency, and Golden Visa advisory company – has been recognized as one of the outstanding real estate brokers by Binghatti Developers at the exclusive Binghatti Property Show, held at the Grand Hyatt Dubai Conference & Exhibition Centre.

The symbolic recognition ceremony saw GenZone's dynamic leadership team, co-founders **Kevin McKenzie** and **Shayan Nasiri**, alongside Real Estate Advisor **Liall Smith**, take to the stage to receive an official Recognition Certificate and memento from one of Dubai's prominent property developers. The award honors GenZone Realty's excellent performance and collaborative partnership with Binghatti throughout 2025.

"This recognition from Binghatti is solid evidence of our commitment to delivering exceptional value to our international clientele," said Kevin McKenzie, Co-Founder and Co-CEO of GenZone. "As we continue to expand our real estate division, this accolade corroborates our strategic approach to connecting high-net-worth investors with Dubai's prestigious developments."

# Strategic Growth in Dubai's Property Market

GenZone has established itself as a trusted advisor for entrepreneurs and investors seeking to set up a presence in the dynamic UAE market. While the company is renowned for its end-to-end business setup services – having successfully assisted over 1,000 companies and issued 2000+ visas – GenZone Realty has become a formidable player in Dubai's competitive property landscape.

The firm specializes in serving international investors, delivering integrated solutions that combine business setup, residency planning, and strategic property investments. This holistic approach has positioned GenZone uniquely in the market, enabling international clients to seamlessly navigate Dubai's business and property ecosystems

"Our model is built on understanding the complete relocation and investment journey," explained Shayan Nasiri, Co-Founder and Co-CEO of GenZone. "Whether a client is setting up a free zone company, obtaining a Golden Visa through property investment, or seeking high-yield rental opportunities, we offer integrated solutions backed by local expertise and transparent guidance."

## Collaboration with Industry Leaders

The recognition from Binghatti Developers highlights GenZone Realty's strategic partnerships with leading property developers in Dubai. GenZone Realty's portfolio spans residential properties in Dubai's most sought-after locations, off-plan investments in emerging districts, and Golden Visa-eligible properties that meet the AED 2 million threshold. The company's property management division also serves overseas investors, handling tenant placement, maintenance, and compliance matters.

## About GenZone

Founded by Kevin McKenzie and Shayan Nasiri, GenZone is a leading business setup and residency solutions provider based in Dubai, UAE. The firm specializes in helping international entrepreneurs and high-net-worth individuals establish businesses, obtain residency visas, open bank accounts, and invest in real estate across the United Arab Emirates.

With a track record of over 1,000 successful company formations and 2,000+ residency visas processed, GenZone has built a reputation for excellence, transparency, and personalized service. GenZone Realty connects international investors with Dubai's prestigious developments while providing comprehensive property management and investment advisory services.

## About Binghatti Developers

Binghatti Developers is one of Dubai's leading property developers, known for innovative architectural design and timely project delivery. With a portfolio spanning 79 projects and over 20,000 residential units delivered, Binghatti has established partnerships with globally renowned brands including Mercedes-Benz, Bugatti, and Jacob & Co.
